Dear Parishioners,

25 June 2021

RE: Suspension of masses

Grace and peace to you all,

With the rate of daily infections on the rise in Gauteng, the PPC together with the Parish Priest have taken the decision to suspend all masses (weekday and weekend), effective from this weekend the 26th/27th June 2021 until further notice.

Following from this:

We will however continue with a live streamed mass every Sunday morning at 9:00am, with the following restrictions:

- Only essential personnel in attendance and no other parishioners will be allowed to attend.

Holy Masses will be streamed on our YouTube Page:

- <https://bit.ly/StJohnBoscoYouTubeChannel>

These measures are not ideal to us and to you, but we are called, more urgently than ever to be responsible. The PPC has not taken this decision lightly as we look to safeguarding all our parishioners during this third wave.

In these challenging times, please bear in mind that the church also needs your continued financial contributions and support.

We continue to ask for God's powerful graces and protection on all of us.

We thank you for your understanding in this regard.

Yours in Christ,

Fr Victor Ngwenya
Parish Priest
